Republican City Convention.

The Republican electors of the city of Janesville are requested to meet in convention, en masse, at the court house, *on the 20th day of October*, at 7 o'clock P. M., for the purpose of nominating a candidate for the Assembly to be elected at the ensuing election. Dated at Janesville, this 10th day of October, 1859.

S. J. M. PUTNAM,
C. B. WOODRUFF,
J. S. PARKER,
City Committee.

Agricultural Society.

A special meeting of the Rock County Agricultural Society and Mechanics' Institute will be held in Janesville, at the Court Room, on SATURDAY, the 22d DAY OF OCTOBER, inst., to consider the condition of the society and adopt such measures for its well-being as may be deemed proper.

☞ It is particularly requested that every member of the society who can attend will be present.

The Beloit papers are requested to copy this notice.

TRINITY CHURCH.—Services in this church will be conducted by the Rev. S. S. Ethridge.

Sunday School, 9 A. M.
Morning Service, 10½ A. M.
Evening Service, 7 P. M.

Church opened every Friday evening for the evening service, and for Bible class, at 7 o'clock. On all the festival days of the church, at 10½ o'clock A. M. Holy communion on the first Sunday of every month.
oct12d3d.

☞ The excursion train of the Chicago and Northwestern railway will return to this place to-morrow afternoon at 2 o'clock.—Undoubtedly those who attended it have had a pleasant time, and we shall be enabled to publish a full report of events to-morrow, if "our reporter" returns safe and sound. He went off like all the rest, in a hurry, and perhaps he will come back in the same way. At all events, he will have an interesting acount to serve up in his usual style after he does arrive.

P. S.—A friend just returned says "reporter" was *right side up* when he saw him last. That may be all well, but was he right *end* up? We shall see!

☞ Owing to the absence of our regular carrier, many of our readers upon the east side were disappointed in receiving their papers yesterday morning. A carrier was put on the route as soon as possible, who being wholly unacquainted with the route, necessarily omitted many subscribers. We hope to have matters set aright again in a day or two, and during the meantime those that may be overlooked, are requested to notify us of the omission.

We had quite a nice little shower yesterday afternoon—just enough to dampen the dust in the roads. A little more of the same sort will do no harm, and the prospects of more coming are good, notwithstanding a political discussion is under way at the court room.

☞ A suspicious looking package has been laying upon the editor's table since day before yesterday, unopened. During their absence yesterday the boys took a "smell" of it, and discovered that its contents were undoubtedly *wedding cake!* Who the fair donor is the boys cannot tell, as they are honest and dare not open it. It will be taken care of in due and proper form. *Our* piece will go under the pillow!

☞ Don't forget that Durant & Hayward's Minstrels are to give an entertainment at Lappin's Hall to-night. They certainly are the best troupe of minstrels now traveling, and are deserving of a full house, which we expect to see greet them. A "quarter" spent with them will receive its own reward in the amount of fun you will have.

☞ Our Chicago papers failed to reach us yesterday, and consequently we are without further news from the various seats of political war. Anything of special importance that may arrive will be laid before our readers at an early moment.

☞ How greatly "hard times" has affected travel is shown in the single instance of the Galena and Chicago Union railroad. The earnings of the above road in September, 1858, were $161,949 23; in September, 1859, they have been $212,260 28—showing an increase over last year of the large sum of $50,311 05. Few of the roads in the western country have any cause to complain, for all the statements that have fallen under our eye have show an increase in their receipts over those of the past year. People will travel; it seems to be an axiom for them that it is cheaper to travel than to stay at home, and railroad statements verify this belief.

A note from R. W. Jones, of Genesee, informs the Waukesha Freeman, that fifteen of his sheep were killed by lightning during the storm of Friday last, while standing under a black oak treek. No marks of injury could be found upon them.

THE GREAT BRIDGE ACROSS THE ST. LAWRENCE.—The tabular bridge across the St. Lawrence, near Montreal, which has been in progress since 1854, is now about completed, at a cost of about $7,000,000. The structure is one of great magnificence, and has not unjustly been termed "the most gigantic work of enterprise and science on the habitable globe;" it contains 25 openings, each of which, with the exception of the centre one, which is 330 feet, has a span of 242 feet. The total length of the bridge, including the embankments by which it is approached, is 1¾ miles in length. The height of roadway over centre openings above summer water, is 60 feet, and that of the abutment at each end 36 feet. It contains, in round numbers, 3,000,000 feet of solid masonry; 10,000 tons of iron in tubes, 2,000,000 of rivets, and 128 acres of painting. The design of this noble structure is due to the celebrated British engineer, Robert Stephenson, of Newcastle-on-Tyne; and by its completion it perfects a continuous railroad route from Portland, Me., to Sarnia, C. W., on Lake Huron. Surely, "The world is on the move."

BY TELEGRAPH.

JANESVILLE, Oct. 13—12 M.

By the favor of Mr. Beetle, of the telegraph office, we have the following cheering intelligence:

Sufficient returns have been received to warrant us in saying that

Pennsylvania is Republican!

Ohio is Republican by 15,000 Majority!

AND MINNESOTA IS REPUBLICAN.

IOWA NOT HEARD FROM.

LATEST.

COLUMBUS, Ohio, Oct. 12.

The republican state ticket is elected by over **15,000** majority. Returns thus far indicate senate, republicans **22**; democrats **13**. House **12** to **16** republican majority.

IOWA.—Muscatine co.—Republican state ticket 200 ahead. Kirkwood, rep. candidate for governor, leads his ticket in all the townships.

Louisa co.—50 rep. majority.

Scott co.—600 republican majority. The whole republican ticket elected by about the same majority. Davenport gives 389 republican majority.

Dubuque co.—1500 to 1800 democratic majority.

Desmoines co.—225 democratic majority.

Henry co.—550 republican majority.

Jefferson co.—150 republican majority.

Washington co.—Kirkwood, rep., for governor, has 379 majority. Balance of the ticket by about the same majority.

Wapello co.—250 republican majority.

Lee co.—Seven towns give Dodge 233 majority.

CLEVELAND, Oct. 12.

Republican gains over 1857, as far as heard from, about 5,000. Republicans will probably have majorities in both branches of the legislature.

LATER.—Dispatches from Columbus give the republicans the legislature, and a majority of fifteen thousand on the state ticket.

PHILADELPHIA, Oct. 11.

In this city Mann, opposition, for district attorney, has a majority of 3,500. State ticket about 2,500. Smith and Connell both elected to senate. Representatives probably unchanged.

Lancaster co.—opposition majority for state ticket 3,000.

Montgomery co.—Vote light. Democratic state ticket majority of 1,200.

Miflin co.—Vote close. Democratic state ticket 50 maj.

In Philadelphia the opposition gain a senator.

PHILADELPHIA, Oct, 12.

Mann's majority is 3,216; Cochrane, 2,292; Keim, 3,855. The opposition also elect both state senators, and ten out of seventeen representatives.

HARRISBURG, Oct. 12.

York co. gives 275 democratic majority, but elects one opposition to the legislature.

Rush Peterkin, opposition candidate in the Lycoming representative district, has been defeated by 1,200 majority.

Samuel Durborrow, opposition, has been elected in Adams county to the legislature by 29 majority.

In the senatorial district, composed of Adams, Franklin and Fulton counties, Alex. McClure has been elected. In Franklin county his majority is 539, while his democratic opponent, Mr. Douglas, had only 150 in Fulton, and 11 in Adams county.

Beaver county elects two opposition members to the legislature by 550 majority. Mr. Imbrie, opposition for state senator has 300 majority.

Scranton.—The opposition majority on the state ticket is small and the result with regard to the county ticket is doubtful.

EASTON, Oct. 12.

The democratic majority in Northumberland county is estimated at 600.

DAVENPORT, Oct. 12.

Muscatine county.—The republican state ticket is from 150 to 200 ahead in this county. The democrats have probably re-elected judge, treasurer and sheriff. The republicans elect the balance of the ticket.—Kirkwood (for governor) leads his ticket in all the townships. The vote of the city of Muscatine not yet counted.

Louisa county gives a majority of 50 for the republican state ticket.

Scott county.—The whole republican ticket is elected in this county by from 400 to 500 majority. The Davenport city vote not yet counted. The majority for the republican state ticket will probably reach 300.

Dubuque county.—The democratic state ticket has a majority of from 1,500 to 1,800.

There being only five telegraph offices in the state—viz: at Dubuque, Lyons, Davenport, Muscatine and Burlington—it will be some days before anything like full returns can be received.

BURLINGTON, Oct. 12.

The vote received thus far is about the same as that of two years ago, when Lowe, rep., was elected over Samuels, dem., by 2,100 majority.

Des Moines county gives 225 dem. majority.

Henry county 700 republican majority.

Jefferson, 150 republican majority.

ORIGIN OF THE NEWLY DISCOVERED OYSTER PLACER.—The N. Y Times says:

"Some time in the year 1841, a bed of young, or seedling oysters was found near the east beach, at the mouth of Northport harbor, and there was a lively time among the oystermen while the deposit lasted, in securing them for the purpose of transplanting. Among others, a man familiarly known at Huntington as "Dick Scudder," was active with his little schooner in conveying away the oysters, his planting ground being directly across the Sound, near Norwalk, Conn. In one of of these excursions, while beating over against a strong northeast wind his craft was struck by a sudden flaw and capsized, spilling overboard thirty bushels, more or less, which were carried upon deck. The precise spot where this accident occurred, nearly twenty years ago, is now covered with a busy fleet of oyster boats and vessels gathering a prolific harvest from the seed thus accidentally scattered."

PATRIOTISM.—The enormous sum of 51 cents has been deposited in the Washington Monument contribution box at the post office in Portage City, in the space of four weeks.

Dr. Christie's Ague Balsam.

Messrs. Hunt & Gardner—Gents: I wish to make known to the public an article from which I have derived more benefit than from all other medicines which I ever used. I have been suffering from fever and ague and its effects for the last five years, in which time I have scarcely enjoyed a single day of good health, until I procured from your drug store a bottle of Dr. Christie's Ague Balsam. In a few days I found myself clear of ague and rapidly recovering in health. I have not felt a symptom since I commenced *taking it (about three months,)* although constantly exposed to cold and weather. To my friends and the public generally, suffering from this disease in any form, I would say, procure a bottle, and save health, constitution and money.

Yours, J. B. GROSCOST.

☞ See advertisement. oct1d4w

During the summer that has just passed away, thousands of sufferers from dysentery and diarrhœa have been relieved by the use of Hostetter's Bitters, a medicine which is evidently destined to maintain a permanent place in the public estimation. Billious diarrhœa is one of those diseases which baffles the skill of the physician. The medicine they administer to act upon the bowels never seem to reach the source of the evil.—The difficulty is to get a remedy that will reach all the digestive organs, and give them simultaneously a rush of vigor, to rid themselves of this disease. This problem is solved by the Bitters, which never fails to conquer the most stubborn cases. It is only fair to say, that during the season just closed, this medicine has achieved more cures than any other ever presented to the public, and during the fall, which that terrible scourge, the fever and ague, is so prevalent, the Bitters will gain fresh fame. Sold by druggists and dealers generally, everywhere. ☞ *See advertisement in another column.*
oct1d4w

When we first ascended the editorial tripod, we made it a rule never to puff or commend anything to our readers unless the article noticed possessed, in our opinion, real merit; and though frequently importuned, we have never departed from it. But when anything is presented to our observation possessing these qualities, we consider it due to our patrons that we make it known to them. We therefore call the attention of our readers to a new remedy for fever and ague—Dr. Christie's Ague Balsam. We know it to be a good remedy. Hundreds of our subscribers have tried it, and in no instance has it failed to effect a permanent cure. We only speak what we have seen and know. To those afflicted with this prevalent disease we commend it, for it is well deserving of confidence. Try it.—*Plymouth (O.) Advertiser.* ☞ See advertisement. Tw1

Janesville City Directory
AND
BUSINESS ADVERTISER,
For 1859 and '60.

THE undersigned having been solicited to publish a City Directory, has commenced the canvass and will proceed with and complete the work immediately. Having had a large experience in publishing Business Directories, and as I do the canvassing myself (not trusting it to careless and inexperienced agents.) I feel confident in saying that I will present a better Directory to the citizens of Janesville for their support than any heretofore offered them.

The work will contain a history of the City from its earliest settlement to the present time. A complete list of housekeepers, clerks, salesmen, seamstresses, agents and all resident business persons, histories of all the cherches, schools, &c., with an account of all public buildings, and if well supported, Illustrations of the City.

As the success of a work of this character depends upon the patronage at home, I hope the citizens of Janesville will appreciate the advantages to themselves of having a Reliable City Directory. There will be a large edition published and circulated, which will make it one of the best advertising mediums in the state, and it is hoped that our merchants and other business men will avail themselves of it.

Cleanse Your Blood by Using Scovill's BLOOD SYRUP.

Cleanse Your Blood by using Scovill's Blood and Liver Syrup. The recipe is given to all physicians, that they may know what they are using. The combination of Sarsaparilla with Stillingia, &c., is well known to all medical men as the best compound to purify the blood ever used. It cures Scrofula in all its worst forms. All diseases of the skin it cures effectually—Syphilitic Swellings, Erysipelas, Scald Head, Salt Rheum, Female complaints, Tumors, King's Evil, and all diseases arising *from any impurity of the blood.* Physicians will tell you to let alone all proprietary or quack medicines, as they call them. Why? For the simple reason that they are put up with printed directions and the name and label is copyrighted. Show them the formula of preparation, and in nine cases out of ten they will approve of it. There are testimonials from physicians whose prejudices are over-balanced by their good sense of the excellent virtues of Scovill's Blood and Liver Syrup, and who are using it for their private practice. Sold by John D. Park, Proprietor, Chicago., Ill.

USE CHRISTIE'S AGUE BALSAM.

The best ague cure in use. A remedy prepared by a regular physician. A preparation free from all mineral ingredients. Equally effectual in Ague and Chill Fever. When taken according to directions, is a sure cure. It never debilitates the patient like other remedies. It is a pleasant, safe and effective remedy for children. It has stronger certificates than any other remedy. When once used it will ever after be sought for. In short, it stands at the head of Ague cures.

Dr. Christie's Balsam for Ague and Fever is winning golden opinions as a preventive and cure for that dreadful disease. Much of the dread experience by persons emigrating to a new country will be removed when they know how easily and thoroughly the Balsam cures the disease for which it is designed.—*Monmouth Guardian.*

The above is only one of the numerous favorable notices of a free and untrammeled press. When such a powerful friend as the press speaks in its favor, it cannot be otherwise than popular.

John D Park, Proprietor, 124 Lake St., Chicago.

Hall's Lung Balsam.

Hall's Lung Balsam, in all cases, gives the best of satisfaction.

Hall's Lung Balsam has wrought more cures since its introduction than any other cough medicine.

Hall's Cough Balsam is endorsed by our leading physicians as the safest and best remedy now before the public.

Hall's Lung Balsam is safe to use among children, and yet powerful in case of chronic pulmonory disease.

Hall's Lung Balsam brings in certificates almost daily of its wonderful cures in all parts of the country.

Hall's Balsam for the Lungs is sold by the druggists of Janesville, and by agents in every town in the country.

The more striking proof of the intrinsic worth and excellence of Dr. Hall's Balsam for the lungs is shown in the rapidity with which it becomes a general favorite with the people. There is nothing of a similar nature but what is cast into the shade when the Balsam has been thoroughly tested. The agents for its sale the country over, in ordering new supplies, are very enthusiastic in its favor, saying, "it is just the thing; it acts like a charm; its effects are truly magical." The afflicted can obtain the medicine of John D. Park, Proprietor, Chicago, Ills., to whom all orders should be addressed.

CLAIRVOYANCE!
DR. LATHROP, OF NEW YORK,

WOULD respectfully inform the inhabitants of Janesville and vicinity, that he has opened an office at his residence, for the purpose of treating diseases on the Clairvoyant principle. Through precision, I am enabled to cure many diseases that are beyond the reach of medicines. I have had 12 years' experience in this manner of treating diseases attended with great success in New York and Syracuse. I had a number of years medical practice before I became clairvoyant. Invalids suffering from old chronic difficulties, will do well to give me a call. Acute diseases treated with new remedies discovered while in the superior state; these are especially applicable in fevers and sudden billious attacks, which readily yield to the harmonizing influence of these medicines.

☞ Residence on Bluff street, near Jackson. First house west and nearly opposite the Episcopal church.

THE subscriber has discovered upon his premises a splendid

QUARRY OF FREESTONE,

which promises to surpass anything yet found in the state, as well as add to the many already developed resources of our city,

A Beautiful, Cheap and Durable Building Material,

He has made arrangements to work this, together with the justly celebrated

Monterey Lime Stone Quarry,

on a scale equal to the demands of our enterprising citizens, and in order to accommodate his numerous customers, he has made arrangements to keep constantly on hand a large supply of

ATHENS MARBLE

(or Chicago stone.) He is now fitting up extensive saw and scouring mills, and other machinery necessary for working the same, at a great reduction from former prices.

He also wishes to call attention to the fact that sound cutting or dimension stone can only be found at great distances from the surface, and that the Monterey Quarry is the only one in this county that has been worked far enough to reach those formations that are imperishable when exposed to the action of air and frost.

He is also supplying his Quarry with Derricks to facilitate the handling and loading large stone, and is fitting up expensive wagons, carts and trucks, rigged with the most approved appliances for moving and delivering dimension stone of any size, from two to thirty feet square, and from six to twenty inches thick, or any required length up to one hundred feet, to any part of the city or on board of the cars.

He is prepared to furnish

Cut Stone

of every description,

PLAIN, MOULDED, CARVED OR POLISHED FLAGGING

of any required dimension.

Curbing, Paving, Ruble and Coursing

stone of the best quality in the state, all of which will be delivered at his Quarries or any part of the city, to suit purchasers.

In conclusion, he begs to assure the public that from the superior quality of his materials, and facilities for furnishing, he can and will make it to their interests to patronize the Monterey Quarries.

☞ All Orders from the city or country will be promptly attended to.
